Strength Beyond Metal

Yarde Metals is an innovative metals service center that has supported the global commercial and defense aerospace industries for 40 years. Yarde has proven time and again that what separates us from the competition is our ability to supply more than just raw material; we provide resources and solutions.

- Dedicated, experienced and solutions oriented sales team
- Strong mill relationships with industry leading suppliers
- Diverse inventory of aerospace products including LCS and GE pre-certified jet engine material
- In-house processing capabilities and a global footprint that allow Yarde to meet the quality, pricing, and delivery our customers demand

Additional high performance alloys and specialty fracture tough alloys available upon request.

*Specialty alloys can be heat treated to all industry standard tempers.

Aerospace Extrusions

BAC | LS | GAS | S | AND | 1MA

2024 (T3511, O, T8511, T42)	7075 (O, T6, T62, T6511, T73511, T76511)
6061 (T6511, O, T6)	7136
7050	7150 (T77511)
7055	7178

*Additional alloys, tempers and part numbers available upon request.

Processing Capabilities

Leveling	Thickness up to .190" Lengths up to 240"	Widths up to 72"
Laser	Aluminum up to .625" thick	Stainless up to 1" thick
Waterjet	Aluminum up to 10" thick	Stainless up to 6" thick
Hi-Def Plasma	Aluminum up to .625" thick	Stainless up to .625" thick
Bar	Up to 40" diameter	
Sheet/Plate	Aluminum up to 33" thick	Stainless up to 6" thick

*Custom widths available up to 96" wide upon request.

Value Added Processing

Ultrasonic Testing	Destructive and
Heat Treating	Non Destructive Testing
Precision Cutting	Deburring

Yarde Advantage

- MRO/AOG Services
- Value Added Processing
- **Stocking LCS and GE S400 Pre-Certified Material**
- Quick Quote Response
- Kitting
- Web Based Account Access – Track your orders, obtain mill certs and print invoices!
- Logistics Support
- Part Number Based Inventory
- Materials Management Programs – JIT Deliveries, Kanban
- Supporting your spot purchases and complex multi-year contracts
- Stocking DFAR and ROHS Material
- Compliant to ITAR, EAR regulations and ISPM 15 packaging standards
